Campaigning Hit

Differing Views On Coach's Pact

Canyon High School Football Coach Jim Greenwood Tuesday reaffirmed an earlier statement that he had been fired by School Supt. Jerry Jacobs.

"It is the decision of the board not to hire you back next year." Greenwood quoted Jacobs as having told him.

The incident is reported to have taken place Wednesday afternoon of last week.

Canyon school board had sat in closed session the previous night. Board members admit that Greenwood's status was discussed at the 1 1/2-hour executive session but declare that no decision was made.

Jacobs contends that Greenwood was not fired. "I didn't tell him that was the decision of the board," said Jacobs. "The board didn't make any decision."

Members of the board emerged from the meeting last week and told waiting newsmen that no decision was reached. Jacobs said board action on the coaching contract normally would come in March.

"I was fired," said Greenwood of his conversation with Jacobs.

"I didn't know anything about it," he went on. "I asked him why. He didn't give me any reason."

The coach said he has no plans to submit a resignation.

Greenwood was rated as one of the top young coaches in the state when he came to Canyon in 1965. He brought to the Eagle's Nest a record of 18 wins, 6 losses and 1 tie in 25 outings as a high school football coach.

As mentor at Stratford, he took his Class A team into the state playoffs two consecutive years.

In 1963 his Stratford team was defeated at regional by Petersburg--the eventual state champions. The Stratford club

Personalized Checks Only By April 1st

Most Canyon merchants will display signs in city stores telling customers that effective April 1, 1968, only checks with federal reserve bank clearance and personal account numbers will be accepted.

These signs were handed out Thursday night of last week at a meeting of Canyon merchants in Randall County's 47th District Court room. More than 50 merchants attended.

Several speakers pointed out the advantages of accepting only personalized checks.

Among the speakers were Randall County Criminal District Attorney George Dowlen; Justice of the Peace Bill Wilson; Dean House, vice president of West Texas State Bank of Canyon; David West, cashier for Canyon First National Bank; and Larry Cheatham, with Sears in Amarillo.

Dowlen told the group that insisting on personalized checks will virtually eliminate "account closed" and "unable to locate account" checks.

Dowlen also pointed out that, among other things, personalized checks will aid in identification and prosecution of those who give bad checks and will also assist the banks in processing checks.

Contest In Both Parties

Primary contests in both parties for Randall County commissioner of Precinct 1 shaped up this week with the announcement of S. G. "Roy" Stockton on the Republican ticket.

The post presently is held by B. R. Jones of Amarillo. Jones has said he will not be a candidate for re-election.

Stockton, 64, is a Randall County contractor and developer of Lake Stockton, later named Lake Tanglewood. Stockton lives at the lake.

Another Republican, Paul T. Collins, 71, Canyon, already had announced for the Republican nomination. Collins is a retired Santa Fe Railroad employe.

In the meantime, J. I. "Jim" Fletcher, 44, farmer and rancher in the northeast part of the county, announced his candidacy on the Democratic tic-

Wednesday Registering Deadline

Deadline for voter registration in Randall County is next Wednesday night at midnight.

Although no poll tax will be required this year, everyone must register, regardless of age.

Residents may register in person at the Randall County Tax Assessor-Collector office in Canyon or at the sub-station at 3806 South Bowie in Amarillo. Mail registration forms are also available.

As of Wednesday, a total of 13,683 had registered to vote, with several thousand more expected by the deadline date. Of the 13,000-plus registered thus far, about three-fourths of the number signed at the Amarillo sub-station.

Some 25,000 registration forms were ordered here this year.

Miss Hoover Lion Queen

Miss Joyce Hoover was named Lions Club Queen Wednesday at a regular meeting of the club.

Runners up were Gayle Swatzell and Mary Mitchell.

Miss Hoover will represent the Canyon Club at the district convention in Amarillo next spring. There she will vie for district honors.

Miss Hoover, a high school senior, succeeds Miss Katie Upshaw as Lions Club queen.

Judge P.H. Mulloy In Tiff With Court

BY TROY MARTIN

Randall County tax assessor-collector Bill Money was taken to task in commissioners court Monday because employes in the tax office have been electioneering for him during office hours.

Commissioner Bill Butler said he had received numerous complaints that tax office employes at the court house annex in South Amarillo have been handing out book matches and emery boards to people registering to vote.

He said registrants have been requested to "vote for our boss" as the paraphenalia bearing Money's advertisement is handed out.

"I am complaining about Mr. Money advertising his campaign in the courthouse," declared Butler as he led into the discussion.

Butler said he told Mrs. Decla Kelley, who is in charge of the annex tax office, that campaigning in the office "didn't look good."

"She took the matches and fingernail files from the counter," Butler said, "But I understand they were later replaced at Mr. Money's instructions."

Butler later said he had sent word to Money that the campaigning during office hours at the tax office should be stopped.

The commissioner said he went to the annex Monday morning and found the practice continuing.

Money Tuesday said he had not received a single complaint himself.

"If they (the commissioners) had a complaint, why didn't they call me down and talk it over?" Money asked. "I was available Monday."

"I never had a commissioner or a judge say anything to me about it," he went on "If I'm wrong, I'll stop it immediately."

Randall County Criminal District Attorney George Dowlen at first told commissioners he thought such campaigning was a violation. Later he said he is not certain that it is illegal and declared that he would ask the state's attorney general for a ruling on the matter.

The district attorney said

Dividend Declared

Stockholders of First National Bank in Canyon Thursday of last week voted a quarterly dividend of 60 cents per share for the fourth quarter.

Officials of the bank pointed out that this brings the total for the year to $2.20 a share, a 10 percent increase over last year.

This is the 30th consecutive year First National has paid a dividend, according to bank authorities.

In other business, stockholders returned all incumbent directors.

These include William E. "Bill" Adams, J. L. Cole, L. W. Cole, Hosea Foster, Jack Jennings, A. W. Lair, Charles R. Nester, W. W. Sternenberg, Jack Taylor, A. M. Warren and Ed Wieck.

In a subsequent board meeting, all incumbent officers were re-elected.

These include L. W. Cole, chairman of the board; William E. "Bill" Adams, president; Charles Allen, executive vice president; Don Max Vars, vice president; J. L. Cole, assistant vice president; David West, cashier and operations officer; and Chloe Ann Black, assistant cashier.

MOTHER'S MARCH co-chairman, Mrs. Ronald Taylor, left, visits with a friend, Mrs. H. T. Carr, Jr., in preparation for the annual "mother's march" for the March of Dimes Drive to be held Sunday afternoon and Monday night in Canyon with a number of local women participating.

Mothers Seek Dimes In Citywide Canvas

The annual "mothers march" for the March of Dimes Drive will be conducted in Canyon early next week according to Mrs. Ronald Taylor and Mrs. Don Vars, co-chairmen.

The drive will begin Sunday afternoon with a special emphasis drive Monday night from 7-9 p.m. as local mothers canvas the city in an effort to reach a goal of $500 to be used to eradicate birth defects through further medical research and support of centers devoted to the study and treatment of children with birth defects.

March co-ordinators, Mrs. Taylor and Mrs. Vars, are representatives of the Canyon Study Club. Delegates from the University Study Club and the Canyon Jaycee-Ettes are also expected to participate in the citywide effort.

"We will have about 75 women in the drive," said Mrs. Taylor explaining that the main emphasis of the drive will be Monday night and all persons desiring to make donations should leave their porch lights burning during the campaign.

The marching mothers will be presented with information packets and instructions at 7 p.m. Monday as they meet at the Pioneer Natural Gas Building, which will serve as headquarters for the campaign. All marchers will be expected to complete their portion of the drive and turn in collected money before 10 p.m. at the headquarters.

Randall County chairman for the March of Dimes campaign is Francis Shell.

City Election Slated April 2

Three positions on the Canyon City Commission will be filled in an election scheduled here April 2.

The terms of Mayor Paul Lindsey and Commissioners H. R. Fulton, Jr. and George Ritter will expire this year. None of the trio has announced his candidacy for reelection.

To be eligible to fill one of the vacancies, candidates must be able to vote in city elections, must own property and have no delinquent city taxes.

Candidates must file with the City Clerk by March 2 in order to run in the April election.

Heritage Meet Slated Sunday

Board members and officers of the Panhandle Heritage Foundation, sponsors of "TEXAS", will be selected at the seventh annual meeting of the organization Sunday at 3 p.m.

The foundation meeting will be conducted in the Fine Arts Building on the West Texas State University campus with Pete Gilvin, president, in charge.

One-half the board will be elected by the general foundation membership and the board will then select the officers for the coming year.

Jerry Mullican, superintendent of Palo Duro Canyon State Park where "TEXAS" is performed each summer, will discuss park developments and foundation Executive Vice President Raymond Raillard will discuss new construction at the Pioneer Amphitheatre.

Moisture Helps Area Farming

Beneficial rains that will aid farmers and stockmen alike fell in Randall County for three days last week, dropping amounts that averaged about two inches.

The official 1.19 inches recorded, added to the .45 inches received earlier in January, establishes a record high in Canyon since readings were started at West Texas State University in 1951. Previous high for January was 1.58 inches of precipitation received in 1958, and normal is .52 inches.

The rains, said Randall County Agent John Brazzil, will not only help dryland and irrigated wheat but will also give aid to grass for livestock grazing this summer.

Brazzil, who termed the showers as "one of the finest I can remember," said older county residents were commenting about the unusual mid-

Upperclassmen Registration Scheduled

Registration of upperclassmen at West Texas State University is scheduled today and Friday for the spring semester that will begin Monday.

Registration for evening only classes and students arriving late on the WTSU campus is scheduled Saturday, starting at 8 a.m. and continuing through 2 p.m. in the Student Union Building.

Spring semester closes May 23 with final examinations, and spring convocation is scheduled May 19.

Freshmen at WTSU registered Wednesday.

Two Bandsmen To All-State

Roseanna Matthis and Evelyn Hadley were named to All-State Band at area tryouts Saturday in Lubbock.

Miss Matthis was named in the competition for flute and Miss Hadley played cornet.

Sara Beth Meyer, also of Canyon High School, was named first alternate baritone for the All-State Band Concerts to be held in Austin Feb. 8-10.

Lake Water Study Meeting Thursday

Representatives from several governmental agencies will meet today, Thursday, at Buffalo Lake National Wildlife Refuge to discuss plans for a year-long study of water pollution.

The bacteriological sampling teams arrived Wednesday to make the study that was discussed last November with the representatives by Joe P. Teller, deputy director of the Texas Water Quality Board in Austin.

At the November meeting conducted in Hereford it was announced that water at the lake was polluted last summer due to the combined effects of feedlot runoff, waste water from vegetable packing establishments, and municipal sewage treatment plant effluents.

Polluted water at the lake killed more than one-quarter million fish and the area was posted against water contact sports for some time last summer. This marked the first time it was necessary to close the lake area to water contact sports.

The bacteriological sampling consists of collecting water samples from Buffalo Lake and Tierra Blanca Creek monthly for a year and more regularly for a month period when a mobile laboratory is to be located at the refuge. An intensive sampling program, according to a report given the agencies by Teller, will be required during one or more periods of surface runoff.

The samples are to be collected in sterile bottles and quickly delivered to either the

Texas Trail To Include Local Area

Canyon, Buffalo Lake National Wildlife Refuge and Palo Duro Canyon State Park are included in the Texas Plains Trail, one of 10 designated by Gov. John Connally.

Selection of the Texas Plains Trail was made by Connally at the third annual Governor's Tourist Development Conference held recently in Austin.

The Plains Trail covers an estimated 584 miles through 22 Panhandle counties, and includes Gail on the south and

Hereford turned down a city sales tax Tuesday by a narrow margin.

I think the sales tax, in principal, is all right if it is handled properly. Here in the Panhandle Amarillo must take the lead, however.

You can't blame Herefordfor turning it down when that would have been the only town in the Panhandle with a sales tax if the issue had carried.

It stands to reason that it would have cost Hereford considerable retail business. It would cost Canyon even more if we adopt it before Amarillo does.

On some big items the sales tax would be comparatively heavy.

Theoretically, the sales tax is designed to involve the rank and file in payment of taxes and support of local government. As it stands, the present sales tax provides too many exemptions to do this.

Some of these gaps need to be closed and I repeat, Amarillo must adopt the sales tax before other towns in the Panhandle can afford to do it.

Maybe women are taking over. On the front page of the New York Times one day last week a story said Muriel F. Siebert, a selling analyst on Wall Street, reputed to earn a half million dollars a year, stands ready to become the first woman member in the 175-year history of the New York Stock Exchange.

Maybe the men can live with it. Next to that story was one which began, "A state legislative committee voted yesterday to ask the next session of the legislature to make women as liable to the payment of alimony as men."

Farmers and ranchers wore big smiles this week.

Most of them would like to see more rain but they all say what we already have gotten will be a big help.

George Dolan, the Star-Telegram columnist, tells about a West Texan talking long distance during a drizzly spell some years back.

"It's so foggy here you can't see a thing!" he exclaimed. Then he confessed: "Ain't nuthin to see nohow."

When we get to the peace table with the communists in Viet Nam, the communists somewhere else already will be putting pressure on us.

Seizure of an American vessel on the high seas by communist North Korea is a good example.

When will we learn that communist aggression is not a localized undertaking? World revolution, since the days of Lenin, is the very essence of communist doctrine.

Communists from Cuba to the Kremlin are dedicated to burying us.

We are naive if we think we can make a lasting peace treaty with them or conclude a binding pact with them.

If experience tells us anything we should know that we will be the loser if we negotiate with the Reds from anything but a vantage point of strength.

LETTERS TO EDITOR

Dear Editor,

I would like to highly compliment The Canyon News, which strives to relate to its readers the many good things that are happening in Canyon. It is wonderful to read stories about people who are helping others, and your recent stories about Phil Duncan and Jon Low are prime examples.

Too often newspapers strive for sentionalism, and this gimmick has far been overdone. A song written a few years ago stated to "accentuate the positive," and the News does just that. Many thanks for such pleasant reading.

Yours truly,

Buffaloes Upset OC Chiefs 88-85

West Texas State's Buffaloes, fresh from an 88-85 upset victory over 19th ranked Oklahoma City University, were to have met Centenary in the West Texas State Fieldhouse Wednesday night.

The Stompers met Amarillo Air Force Base in a preliminary game.

Coach Dennis Walling's Buffaloes took a 2-5 worksheet into Wednesday night's game, compared to a 2-10 record for Orvis Sigler's Gents. The Gents, losers in their last three starts, met Nevada Southern Monday night.

Simmie Hill, West Texas State's all-America forward candidate, connected for 31 points in leading the Buffs to victory over Oklahoma City. Hill's output raised his team-leading scoring average to 27.4. He also leads the Buffs in rebounding with 11.4.

Maurice Savage, the Buffs' improving center, raised his scoring and rebounding averages after netting 19 and pulling down 11 rebounds against the Chiefs. Savage is now scoring at a 12.9 pace and averaging 10 rebounds a game.

"Mo (Savage) played a terrific game against Oklahoma City," praised Walling. "He helped us control the boards against the taller Chiefs and he contributed several key baskets. If he continues to improve in the second half of the season as he has in the first half, we'll be a much stronger team."

Walling also praised the play of guards Mike Mitchell, who raised his scoring average to 19.4 after scoring 23 against the Chiefs, Gale Rhine, and playmaker David Cole.

"All our backcourt men played well against the Chiefs," said Walling. "Mitchell got hot in the second half and all but burned up the nets and Rhine and Cole played excellent floor games."

In preparing for Centenary, Walling said he thought they would rely heavily on a strong fast-break game and the inside-outside scoring punch of guards Larry Ward (18.3), John Blankenship (11.9) and center Bob Lang, the Gents' leading scorer with a 19.3 average.

Last year Centenary edged the Buffs 76-68 in Shreveport and took a 104-102 cliffhanger at Canyon to knot the series standing between the two schools at 3-3.

The Buffs will travel to El Paso to take on Texas Western Saturday night and will be in Las Cruces Monday night playing New Mexico State.

Buffs Sign Tulia Twins

Twins Mike and Steve McCullough of Tulia were signed Monday night to pre-enrollment applications to attend West Texas State University. The McCullough twins were signed by West Texas State's head football coach Joe Kerbel.

Mike, a 6-0, 175 pound end, was named to the second all-state team in AAA after gaining over 1,000 yards on 45 pass receptions and scoring 13 touchdowns this past year. Steve is a 160-pound defensive back.

"We feel very fortunate to have signed such outstanding young men," said Coach Kerbel. "We're looking forward to some excellent football from both of them."

Aside from their football achievements, the McCullough twins are also numeral winners in track and basketball and play a leading role in student affairs. Mike is Tulia High School's student body president and an honor student while Steve is president of the senior class.

Blaze Damages Canyon Plastics

Fire destroyed several plastic water transportation devices at Canyon Plastics last week before Canyon volunteer firemen were able to extinguish the blaze.

Owner of the business establishment at 405 Second Avenue, Jesse Jones, said the blaze started when metal being heated by a cutting torch came into contact with some of the plastic "water wagons".

Jones said while there was heavy smoke and water damage to the interior of what was once Canyon's ice house, there was little apparent damage to equipment used in manufacturing the plastic items.

No immediate estimate of damages is available, Jones said.

J.I. FLETCHER

Fletcher Announces For Post

J. I. "Jim" Fletcher, who lives a mile east of Washington on the Claude Highway, has authorized The Canyon News to announce his candidacy for Randall County commissioner, Precinct 1. He is a Democrat.

Fletcher is a farmer and rancher and operates rental properties in Amarillo.

He is 44 years old and has lived in Randall County since 1945. He is a native of Montana and grew up in Utah. He was stationed at Amarillo Air Force Base during World War II as a flight instructor.

He was discharged from the service in 1945 as a lieutenant. His wife is the former Miss Dorothy Barnett, a graduate of Canyon High School.

Fletcher attended the University of Nevada while entering in the service.

He presently is serving the Democratic chairman for Precinct 5. He has been a member of the Potter-Randall County Citizens Committee for the past three years and is currently serving on the Randall County school board. He is a past president of Will Rogers Range Riders in Amarillo and a past president of the American Association of Sheriffs' Posses and Riding Clubs.

The Fletchers are members of Canyon First Methodist Church.

Jim and Mrs. Fletcher have three sons, Gary, 22, is attending West Texas State University and Phil, 20, is a student at Texas Tech. Alan, 17, is a student at Canyon High School.

"I certainly feel that I can represent the people of South Amarillo and the farm and ranch people here in Randall County," Fletcher declared. (PD. POL. ADV.)

Grid Ticket Drive Starts

Annual season ticket drive for West Texas State University football games has begun, according to Athletic Director Frank Kimbrough.

Kimbrough said the season ticket prices will remain the same as last year, but individual game tickets costs have been increased.

Chair seats on the season ticket plan will be $4 per game or $20 for five games and bench seats will be $3.50 per game or $17.50 for five games. Individual game tickets will be $5 for chairs and $4 for bench seats.

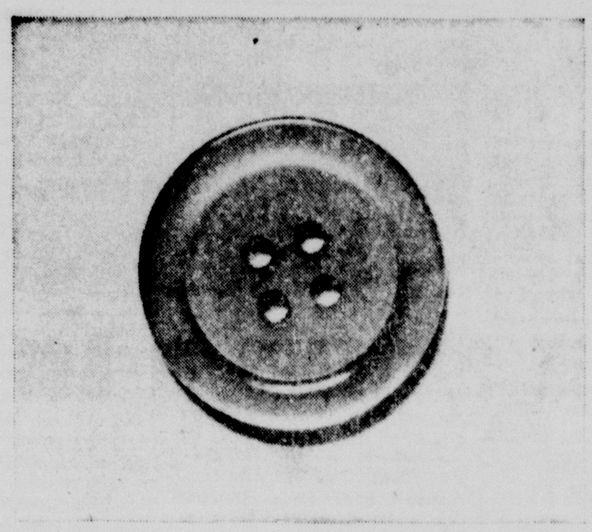

The season ticket plan will save football patrons $1 per game on chair and 50 cents on bench seats.

Orders are being taken in the WTSU Athletic Department offices and must be paid for by Aug. 31 before they can be mailed.

"All those season ticket holders in 1967 must return the pink slip mailed to them by Feb. 15 if they want their same seats for 1968 games," Kimbrough stated.

mobile lab stationed at the lake or to the Amarillo Health Unit Laboratory.

The monthly period when the mobile laboratory will be sometime during the period of May through August. During this period, the sampling party will be required to spend the majority of the month in the vicinity of Hereford and about two or three days per week actually collecting samples.

The water will then be tested for coliform, fecal coliform and fecal strep density by the mobile laboratory during May through August. During the remaining portion of the study period, samples will be examined by the State Health Department regional laboratory at Amarillo for most probable number of coliform densities only.

Coliform bacteria, which is attributed with killing the rough and game fish this year, comes from the feces of warm-blooded animals. The survey will seek to determine what portion of the coliform bacteria count can be attributed to waterfowl and if there is a multiplication of the organisms in the lake waters or is the source from runoff and waterfowl only.

The proposed work plan submitted by Teller proposes the establishment of five sampling stations above the lake, and above and below Frio Creek and Friona.

Participating agencies in the study will be the Texas Water Development Board, Texas Water Quality Board, Texas Parks and Wildlife Department, Texas State Department of Health, Federal Water Pollution Control Administration, US Public Health Service and the Bureau of Sport Fisheries and Wildlife.

Second District Session Slated

The Canyon Eagles basketball aggregation will open their second round of district competition against Perryton here Friday, with a 'B' game scheduled at 6 p.m. in the junior high gymnasium, followed by a varsity contest at 8 p.m. at CHS.

The Perryton group won the first round of district competition and the match Friday opens the second session of play.

Muleshoe will be here Feb. 2 for a varsity and 'B' game. The second string will play at 6 p.m. in the CJHS gym and the varsity hits the courts at 8 p.m.

While Canyon's varsity fell 68-71 to Dumas last week, the 'B' string managed a 69-55 victory.

Canyon's varsity led 39-35 at half time, but fell behind in the last two quarters of cage action.

Gaylen Davis sank 19, Jackie Thrasher had 16, Robert Olson scored 15 and Steve Butler tallied 14 for the Eagles.

Rebounding, which has been a problem for the Eagles since the season opened, was poor, Coach Tom Buchanan said. The Demon varsity averaged four inches taller than the Canyon squad.

In the 'B' clash, Lynn Salmon sank 17 markers, followed by Ron Hager with 12 and John Hodges with 11.

Although Canyon's varsity fell to Tulia Tuesday 67-76, the 'B' boys took a 95-56 victory over the Hornets.

Olson sank 24 baskets for the varsity and Davis had 15 points. Jackie Thrasher, who usually scores high for the Eagles, was benched due to an ankle injury and may be unable to play for a week, Buchanan said.

In the 'B' contest, Salmon sank 23, Jerry Landrum had 14, and Hodges followed with 11 baskets. Keith Keeling, Bobby Martin and Max Bosley each had 10 markers.

Although Canyon only led the Hornets 37-30 at half time, the Eagles managed to out-play their opponents to take the 95-56 victory.

CHS Cage Stars Face Claude Here

Two Canyon High School's Eagles girls basketball squad will be pitted against teams from Claude here Friday, with the first contest scheduled to begin at 6:30 p.m.

The Eagles varsity and 'B' teams will then meet Muleshoe here Feb. 2 at 6:30 p.m.

While the varsity team lost to Wellington 39-40 last week, the second squad for CHS was victorious by a final tally of 14-9.

Pam Richardson for the Eagle varsity sank 23 baskets, followed by Cheryl Davis with 14 points. Gail Swatzell had six rebounds and Rhonda Riley pulled down three for the Eagles.

In the 'B' clash, Marty Kivlehen scored six points and Sally Whalen was close behind with five. Marilyn Gerber had three rebounds and Cindy Jones had 2 for the defensive unit.

The 'B' squad won one and dropped another to take second place honors in a recent Tulia High School Tournament.

While the Eagles defeated Dimmitt 40-26, they fell 34-39 to Tulia.

In a Tulia varsity contest Tuesday, Jan Sternenberg and Susan Swatzell each had 20 points, followed by Miss Richardson with 19.

Linda Dudenhoeffer had eight rebounds and a plus 13 on the coaches scoring to lead the defensive lineup and Gail Swatzell pulled down six. Leading in the point system for the offense were Miss Richardson, 21; Miss Swatzell, 19; and Miss Sternenberg, 16.

Home Demonstration Council Opens Year

Randall County Home Demonstration Council opened the new year with a business session Monday at the Farm Bureau Building with Mrs. John Jennings, council chairman, presiding.

Twenty-eight were present for the business session which included committee recommendations which will be taken to the various county clubs for approval.

It was announced that a defensive driving program will be sponsored by the council February 13 between 1:30 and 3:30 p.m. at the Farm Bureau Building. The driver's program will be open to the public.

An adult clothing workshop is being conducted by the home demonstration agent, Mrs. Becky Hall. The workshop begins today, Thursday, with a session at 1 p.m. at the Farm Bureau Building. Concluding meetings of the workshop will be held January 26, 29, 31 and February 5.

A report from the 4-H committee was given on the recent Junior Livestock Show. Funds raised from the project will be used to sponsor the annual 4-H achievement banquet and awards program.

Several council members will attend a workshop for the Texas Home Demonstration Association in Vega later in the spring.

Elected as council delegates to attend the THDA district meeting in Spearman April 4 were Mrs. Leroy Bauer of Palo Duro Rusk HD; Mrs. Robert Podzemny of Highland HD; and Mrs. Paul Glovier of Westside HD.

A CLOSED CAMPUS policy at West Texas State University has been instigated for the spring semester to keep unregistered cars off campus. Bobby Hudson, WTSU Security chief, is shown by one of three check points located on the campus. Last year Hudson's department issued about 12,000 traffic citations.

pushed to the quarter finals the following year.

He was named Panhandle Coach of the Year in 1964.

"When they hired me, they called me," Greenwood declared. "They called me up and asked me to take the job and build a football program. I did the best I could and I think I made some progress."

The Eagle record under Greenwood is a 3-7 both in 1965 and 1966. The record was 2-8 for 1967.

Greenwood is a 1951 graduate of Borger High School. He played guard and linebacker under Coach Frank Kimbrough during his college years at West Texas State. He was graduated from West Texas State in 1955.

Frank Rogers has been visiting in Arlington with Mr. and Mrs. Mike McClusky and his new great-grandson and other relatives there.

KIDS INC., basketball got underway Saturday at Canyon Junior High School Gym. Shown here on the maplewood are Denny Bryan, left, son of Dr. and Mrs. J. Manly Bryan, and Paul Griffin, son of Mr. and Mrs. Rex Griffin. Dr. Duane Guy is director of the program.

that if Money were to order his employes to campaign that would, in his opinion, be a violation of the law.

"That would be a violation of his (Money's) oath not to promise reward or payment," Dowlen declared.

Dowlen told commissioners that as far as enforcement is concerned, someone would have to file a complaint before he would take action.

"Then I'd want to get an opinion from the attorney general before taking a complaint," Dowlen declared.

At that point, Butler requested that Dowlen obtain such a ruling.

"We're going into a heavy election year and we ought to have a ruling," said Commissioner B. R. Jones.

"It might make a difference whether they were instructed to campaign for him," said Dowlen.

"Well, we can uninstruct them," said Butler.

"We can take them off the payroll," declared Commissioner Glenn Dowlen.

Butler said he is not concerned about county employes campaigning on their own time.

"What they do then is their own business," he said.

Money issued the following statement Tuesday:

"Within the last week or 10 days I've hired five extra employes. I never asked them what political party they were affiliated with or what their religion was.

"I didn't ask them to hand out cards for me but I did put matches and emery boards out on the counter for anyone who wanted to pick them up.

"I placed them out there to thank the people for their past support and to ask their consideration in the future.

"I've done this for 17 years without any objection from anyone. If I'm wrong, I'll stop immediately. I've served the people of Randall County to the best of my ability for 17 years and I shall continue to do so as long as I'm in office."

There was a tiff between commissioners and Judge P. H. Mulloy Monday over dispensing county welfare.

The flare up came over $15 worth of groceries authorized for purchase by the county for a woman who is alleged to have told Judge Mulloy she was ill.

"She's not sick, she's just overweight," said Jones, who said he investigated the case.

Jones took exception to spending county funds on welfare without authorization from commissioners court.

"When they come up to my office I'm not going to turn them down," declared Mulloy. "I don't care what you say."

"I can't be held responsible for how fat they are or how skinny they are."

"You might have to pay some of it out of your own pocket," said Commissioner Clarence Beckman.

"I can sure do it, mister," rejoined the judge.

"I'll bet you can," quipped Beckman.

"You'll have to pay it if I approve it," said Mulloy.

"That's what you think," Jones put in.

"We'll just tell the auditor not to pay the bill," declared Beckman.

"If you want an audit, go right ahead," said Mulloy.

Following the court meeting, Beckman and Butler said they instructed County Auditor Betty Hodges to make no further payment of bills without the signatures of two commissioners.

Judge Mulloy Wednesday afternoon of last week submitted his resignation as county judge. He gave pressing business responsibilities as the reason for his resignation.

Judge Mulloy set Feb. 15 as the effective date of his resignation but said it could become effective at any time the commissioners court receives a suitable applicant for the post.

Commissioner Jones told Mulloy in a court meeting last Thursday that the commissioners would prefer that Mulloy's resignation become effective immediately.

"No, I won't leave you alone without a judge," said Mulloy.

"Even if we want to be left alone?" asked Jones.

"That's right," said Mulloy.

Judge Mulloy was appointed county judge late in October following the death of Judge Lloyd King.

Commissioners Monday heard two aplicants for the post of county judge. They were Judge E. C. Nelson, veteran Amarillo jurist, and Leigh Fischer, Amarillo attorney.

Fischer was an applicant for the post following the death of Judge King.

Representatives of IBM and of Datamedia explained their punch-card type voting machines to commissioners court.

The court has made no decision on bids received on punch-card voting machines but had indicated that a system will be chosen but will not be purchased until it has been demonstrated in an election.

Rain . . .

(Continued from Page 1)

winter rains that are seldom received this early in the year.

The ground, he said, was not frozen, thus the rains were able to adequately penetrate the soil.

While there was some moisture on the surface when wheat was planted in September, it was a struggle, Brazzil said, to keep the plants alive. There will be some reduction in the dryland crop due to lack of sufficient planting moisture.

The rains, that fell intermittently Saturday through Sunday, are of more benefit, he pointed out, than two feet of snow would have been. There was also no livestock hazards which usually accompany a heavy snow.

There is now a moisture reserve that will carry the wheat and other small-grained crops until spring rains can further aid the plant development.

"The rains will not only help the root system to make but it will also help top growth of the wheat," Brazzil commented.

While more winter weather can be expected, Brazzil noted that the cold will not affect the crops as much as if the ground were dry. The moisture will also help guard against soil erosion that usually occurs here in March and April.

Other amounts ranged from almost three inches at the Bushland Experimental Station in the northwest section of the county to 1.60 inches at the Randall County Courthouse. Buffalo Lake National Wildlife Refuge and residents east of Canyon and near Gene Howe Elementary School all reported slightly more than two inches of moisture.

Below are the readings from the Canyon Weather Station on the campus of West Texas State University. These are for the days of Jan. 17 through Jan. 23.

CHS 'Music Man' Set February 1, 3

"The Music Man" will be presented by Canyon High School drama and chorus students February 1 and 3 at 8 p.m. in the CHS auditorium.

Tickets are $1 for students, $1.50 for adults, and $2 reserved.

Gary Moore portrays the travelling salesman, Prof. Harold Hill, in the musical comedy. He transforms the dull town of River City, Iowa into a singing and dancing community in the play which is set in 1912.

As Prof. Hill, Moore arrives in town aboard the Rock Island Railroad and during his one-week stay convinces the townspeople that they need a "big brass band". He has no difficulty in selling the townspeople bright shiny band instruments and fancy uniforms for the band, but his 'think' method of teaching music leads to his downfall in becoming an honest citizen of the community.

The romantic lead is portrayed by Mary Starnes as Marian Paroo, the town librarian.

Also cast in the musical comedy are Ric Wilson as Mayor Shinn; Mary Mitchell as the mayor's wife; Karla Jordon as the mayor's daughter; and Tom Callarman as Tommy Djilas, beau of the mayor's daughter.

The town gossips, commonly known as the Pickalittle Ladies, are Molly Malone, Margaret Raef, Melody Jones and Susan Booth. Playing the roles of school board members are Pat Jarrett, Hal Owen, Buddy Roland and Terry Landrum.

Others in the cast are Mark Landrum as Charlie Cowell; Avery Thrasher as Marcellus; Alicia Boone as Mrs. Paroo; Kay Nester as Gracie Shinn; David Hughes as the constable; Barry Cox as the conductor; Jan Zook as Amaryliss; and Royal Brantley as Winthrop.

Children included in the cast are Brian Hilton, Sam Olson, Courtney Olson and Clyde Olson.

Miss Linda Adams, choir director, and Mrs. Charlotte Brantley are in charge of directing the production.

Dumas on the north plains.

According to information from the Texas Tourist Development Agency, the canyon is 120 miles long and covers 15,000 acres. The information also mentions "TEXAS", musical drama performed each summer in the park, and the Panhandle Plains Historical Museum, located on the West Texas State University campus.

Margaret Harper, public relations director for the Panhandle Heritage Foundation, sponsors of "TEXAS", attended the governor's conference.

Gov. Connally noted, she said, that the 10 Texas trails were selected following information received through questionaires mailed to county judges. Of the 250-odd counties in the state, only 180 answered the questionaire, she said.

While the 10 trails include 6,200 miles throughout the state, only 76 miles are on main highways.

Stressing the need for cooperation on local tourist attractions by all residents, Gov. Connally presented a special award to an East Texas waitress for her cordial and charming attitude to all travelers, Mrs. Harper said.

The governor noted that last year marked the first time that tourists had spent more than one billion dollars while traveling through Texas.

lations director for the foundation, will discuss opportunities and honors given "TEXAS" and financial aspects will be reviewed by Gilvin.

Following refreshments, some 25 cups, goblets and shells designed by Bart Mann will be on display in the FAB.

Ex-officio board members include Paul Green, "TEXAS" author; Will Odom, chairman of the Texas Parks and Wildlife Commission; Gilvin, Mullican, Mrs. Harper, Raillard; William A. and Margaret E. Moore, "TEXAS" directors; Dr. Crannell Tolliver, theatre equipment consultant; and Dr. John E. Green, music consultant.

Regular board members from Canyon include Mrs. Renna C. Bellah, Dr. Leta Boswell, Dr. James P. Cornette, Ruth Cross, Joe H. Gidden, Dr. J. A. Hill, Jerry N. LaGrone, Avent W. Lair, David Levens, Mrs. Robert T. Lindsey, Mrs. R. A. Neblett, Mrs. Emil Olson, Dr. L. F. Sheffy, Don Standley, J. Lucien Upshaw, Bernard Warren and Mrs. Clyde Warwick.

Census Count Underway Here

Canyon School District is currently taking a school census of all persons that will be between the ages of six and eighteen on September 1, 1968 to adequately forecast the needs of the school for 1968.

Each school district of the state is required to comply with the census program during January. All children living in the school district that have birthdays between September 1, 1950 and September 1, 1968 are required to be included on the school census forms.

Lawrence Brotherton, administrative assistant for the Canyon Independent School District, will serve as school official in charge of the enumeration.

Census blanks will be sent home with school students. In addition to this procedure, every effort will be made to locate persons that are not in school and to locate children who will be starting to school in the first grade next fall.

Parents of children that will start to school next year are urged to contact either the principal of the elementary school that the child will attend or Brotherton, OL5-4571.

ket bringing the Democratic field to three for the May primary.

The other two hopefuls are Wayne Kelso, 36, and Forrest Walker.

Kelso is an Amarillo businessman and is president and general manager of Truck Equipment Company in South Amarillo.

Walker farms and operates a service station in Amarillo.

Filing during the past week was Marion Bruce for state representative, 75th District. Bruce is opposed by incumbent J. M. "Red" Simpson of Amarillo. Bruce is a Randall County farmer and stockman.

Deadline for filing is midnight, Feb. 5. Joe Gidden is acting county Democratic chairman and J. Evetts Haley is Republican county chairman.

Conductor-Composer Slates Concerts

Vaclav Nelhybel, contemporary composer, will be at West Texas State University Feb. 3-5 as guest conductor and clinician for the Music Department.

Feb. 3 from 9 through 11:30 a.m., Nelhybel will conduct an open rehearsal of the Symphonic Band in the WTSU Fine Arts Theatre and another open rehearsal with the University Chorale is slated from 2 p.m. until 3:30 p.m., with Nelhybel conducting.

A reception for the composer-conductor is scheduled for 4 p.m. in the Fine Arts Building Formal Lounge.

Identical concerts are scheduled for 2 and 4 p.m. Feb. 4, with Nelhybel conducting the Symphonic Band and Chorale. The groups will be performing the composer's works.

Nelhybel will lecture WTSU music students Feb. 5 from 3 p.m. until 4:30 p.m. and an informal discussion between the composer and university students and faculty is slated Feb. 5 from 7:30-9:30 p.m.

Royal Brantley, WTSU associate professor of music, will be a baritone soloist when Nelhybel conducts the band.

The five choral compositions which Nelhybel will conduct include "Peter Gray", "The Devil and the Farmer's Wife", "Lully Lulla", "Celebrons" and "O Jesu Christ".

No admission will be charged for the concerts, but reservations must be made by mail or in person at the WTSU Music Department offices.

The 48-year-old Nelhybel, born in Czechoslovakia, is a US citizen and has lived in New York City since 1957.

His ballet-opera, "The Cock and the Hangman", was first performed in the National Theatre in Prague in 1947. He has conducted concerts in Prague, Geneva and Munich.

Nelhybel's performances here are sponsored by the WTSU Music Department and the University Special Programs Committee.

Secretaries Meet Tonight

Tierra Blanca chapter of the National Secretary's Association will meet tonight, Thursday, for a program on the High Plains Eye Bank.

The meeting will be held in the First National Room beginning at 7:30 p.m. and is open to the public. A representative from the High Plains Eye Bank will explain the eye bank program and conclude the session with a question-answer session.

The chapter's regular business session will be held at the conclusion of the program.

Four Attend TML Meeting

The one per cent municipal sales tax was discussed at a meeting in Amarillo last week attended by four representatives of the City of Canyon.

Attending the regional Texas Municipal League meeting were Mayor Paul Lindsey, Commissioner George Ritter, City Manager Paul I. Davis and City Clerk Johnny Janak.

The TML meet, attended by representatives of many area towns, was sponsored by the City of Wellington.

Cleaning Is Topic For Meet

A program on "care and cleaning of carpets and furniture" was presented at a recent meeting of the Westside Home Demonstration Club in the home of Mrs. Ed Bourn.

Members answered roll call with a housecleaning hint. Mrs. Bourn, president, was in charge of a brief business session. The club's next meeting will be February 7 at the Dick Barrett home.

Present were Mesdames Dick Barrett, Ed Bourn, Mattie Bourn, W. A. Branum, R. A. Burrus, Paul Cornett, Paul Glovier, Lewis Harvey, R. O. McKay, Ray Metcalf, Fred Richard, Ralph Ruthart and Mrs. D. C. Gamble, a guest.

Revival Slated Here

Rev. W. Lawson Brown will conduct a revival at the Canyon Church of the Nazarene, 2108 13th Avenue, with services beginning Tuesday evening at 7:30 p.m.

REV. W. LAWSON BROWN

Rev. Brown is from Bethany, Oklahoma. He entered the evangelistic field in 1957 and has conducted over 200 revivals in 20 states. Formerly he had been pastor for churches in Texas, Oklahoma, Kansas and Nebraska for a period of 30 years.

Revival services here are at 7:30 p.m. each evening through Saturday. Services Sunday will be at 11a.m. and 7 p.m.

Rev. Charles Jones, local pastor, invites all interested persons to attend the daily services.

Grass Planting Is Recommended

Warm season grasses such as sideoats and blue grama and buffalo grass to be seeded on land being converted to rangeland and in waterways should be planted between now and April 1, says John O'Connor, work unit conservationist with the Canyon Soil Conservation Service.

"For best results," he said, "grasses should be seeded with a grass drill in a depth of one-half to three-quarters inch into a dead litter crop. This dead litter crop should either be sorghym planted in 24-inch rows or less or small grain."

The dead litter crop, he continued, should be mowed or shredded to a height of from six to 10 inches. Dead litter crops provide protection for the young grass seedlings against wind erosion and help to conserve valuable soil moisture, which, in turn, can be used by the growing grass seedlings.

"The grass seed should be of good quality--tested for both purity and germination and free of noxious weed seeds and trash," he explained. "Most sideoats grama seed and blue grama seed are marketed on a pure live seed basis--the percentage of the pure seed that will germinate."

O'Connor said the percentage of pure live seed is calculated by multiplying the percentage purity found on the seed tag by the percentage germination also found on the tag. Most buffalograss seed is marketed on a pure seed basis, expressed as "percentage purity" on the seed tag.

"After seeding," O'Conner continued, "the grasses should not be grazed until they are well established. This is normally after the first growing season. This period of deferment allows the young grass seedlings to develop a good lead area which is essential to the production and transportation of plant food that is needed to get the young plants off to a good start and insure their survival."

If weeds present a problem, control can be made by either spraying or shredding. Grass seedlings should not be sprayed with herbicides such as 2,4-D until past the three to five leaf stage of growth and all methods of weed control should be compatible with wildlife management, he concluded.

Sue Hites Have Meet

A series of pictorial slides on Alaska and Canada were shown at Monday's meeting of the Sue Hite Club in Canyon.

Virginia Allen was in charge of the program. She gave a discussion of animal and plant life in the areas. The meeting was conducted in the home of Hazel Walsh.

"Our electric heating system 'baby-sits' for us."

Mr. and Mrs. Oscar Butlar Plainview, Texas

"Robin, age 1, is in the crawling stage and she gets around fast," says Mrs Butlar. "Too fast even for Kelly, our 6 year old daughter, to watch. But with the electric individual room temperature control, we can close the doors and keep Robin in the same room with us. Robin doesn't get into trouble and all our rooms stay warm and comfortable," she adds.

Miss Erwin Pledges Vows With Donald Breitling

Miss Karen Elaine Erwin became the bride of Donald Lee Breitling in double ring nuptial rites read last Thursday evening at the First Methodist Church of Canyon with Rev. Newton Starnes officiating.

The bride is the daughter of Mr. and Mrs. Kenneth F. Erwin of Amarillo. The bridegroom is the son of Mrs. Bill Townsend and the late O. D. Breitling of Canyon.

Grace Williams was organist. Vocalists were Donna Jean Taylor of Sweetwater who sang "One Hand, One Heart" and John Brandon of Canyon who sang "I Love Thee" by Edward Creig.

Pleated white satin draped the communion and choir rails. An arched white candelabrum backed the altar and each side of the altar was flanked by a spray of turquoise carnations and white tapers. Two urns filled with turquoise carnations and white glads with a seven branch candelabrum completed the altar. The traditional satin covered kneeling bench and white aisle runner were used.

Mrs. Jackie Burns was matron of honor. Bridesmaids were Pam Calder, Roxie McMillen and El Wanda Tekell. They wore full length turquoise and gold iridescent brocade gowns featuring empire waists. Each carried a cascade of turquoise carnations.

Bill Jarnagin was best man. Groomsmen were Darrell Breitling, Bill Long and Gary Hill. Ushers were Jackie Breitling and Jackie Burns.

Given in marriage by her father, the bride wore a formal gown of white peau de soie with a soft circlet neckline molded with reembroidered lace over the empire bodice and long bell type sleeves. The A-line skirt had reembroidered motifs and a complete border of lace along the hemline. Her chapel veil of illusion and reembroidered lace fell from a satin bow with lace motifs traced with seed pearls. Her bouquet was a gardenia surrounded by a cluster of roses arranged in a cascade.

MRS. DONALD LEE BREITLING

Fellowship Hall was the site for the wedding reception with aunts of the bride, Mrs. T. A. Black and Mrs. Harold Erwin, serving at the bride's table. Presiding at the bridegroom's table were Mrs. Lewis Camp, sister of the bridegroom, and Miss Lin Gill.

For a brief wedding trip, the bride travelled in a oyster white knit walking suit with hot pink accessories. The couple will make their home at 1405 Second Avenue in Canyon.

A senior at West Texas State University, the bride is a member of Zeta Tau Alpha and Mu Phi Epsilon.

The bridegroom is also a senior at WTSU, where he is a member of Kappa Alpha Fraternity.

A rehearsal buffet was held in Fellowship Hall of the church Wednesday evening with Mr. and Mrs. Bill Townsend as hosts for the occasion. Assisting the Townsends with host duties were Mr. and Mrs. M.E. Rhodes, Mr. and Mrs. Tom Platt and Mr. and Mrs. Clark Jarnagin.

Pre-nuptial events honoring the bride included a personal shower at the Klaus Hassack home with approximately 15 guests being served refreshments on January 10. Hostesses for the occasion were Judy Hassack, Pam Calder, Donna Taylor and Janie Burk.

The bride was also honored with a miscellaneous bridal shower January 12 at the home of Mrs. Riley Troth with approximately 30 guests being registered. A white net cloth covered the table which was centered with turquoise and white carnations. Serving in the houseparty were Nancy Camp, Shirley Platt, El Wanda Tekell and Jo Troth. Hostesses for the event were Mesdames Riley Troth, Cortez Dowlen, Cliff Abbott, Noble Brown, Jack Jennings, Hatcher Brown, Roland Black, Frank Begert, Dave Huyck, Bob Bellah, and Roscoe Richardson.

Westside HD Has Meeting

Westside Home Demonstration Club met recently at the Ray Metcalf home with Mrs. Buford Sparks, outgoing president, in charge of the opening business session.

The meeting was opened with group singing of "Onward Ever Onward" and members answered roll call with "what I would like to see in 1968".

The club's new president, Mrs. Ed Bourn, took charge of the business session as the constitution and bylaws were read and approved and the club yearbook was completed.

Present were Mesdames Ed Bourn, Mattie Bourn, R. A. Burrus, W. A. Branum, Paul Cornett, Paul Glovier, Lewis Harvey, R. O. McKay, Ray Metcalf, Fred Olson, Fred Richard, Ralph Ruthart, Lewis Tucek, Buford Sparks and T. J. Myers.

MRS. JOHN WALLACE SINGLETON, JR.

Campus Chapel Site For Marriage Rites

Joseph A. Hill Chapel on the campus of West Texas State University was the site for the double ring marriage ceremony uniting Miss Lowann Sparkman and John Wallace Singleton, Jr. Saturday evening.

The bride is the daughter of Mr. and Mrs. Glenn E. Sparkman of Canyon. Mrs. Jeanne Singleton of Canyon is mother of the bridegroom.

Rev. Charles Pedersen, pastor of Saint Andrews Episcopal Student Center, officiated at the exchange of vows. The chapel altar was decorated with double candelabra and greenery with two baskets of gladioli and yellow mums accenting the steps.

W. H. Blake of Midland, organist, presented "Our Father" by Boehn, "Jesus, Joy of Man's Desiring" by Bach, "Bridal Chorus" by Wagner, and "Wedding March" by Mendelssohn.

Matron of honor was Mrs. Bobbye Kaye Van Dyke of Canyon and Miss Sharon Cook of Amarillo was bridesmaid. They wore identical floor length gowns of blue nite-lite designed with front and back panels attached at the yoke. The back yokes were fastened with tiny looped buttons from the neckline to the panel.

Best man was David Singleton of Canyon, brother of the bridegroom. Bill Guill of Canyon was groomsman. Ushering was Gaylen Sparkman, brother of the bride.

Given in marriage by her father, the bride wore an original formal wedding gown of imported white velvet fashioned in a modified bell silhouette with a portrait neckline and fur trimmed bell sleeves and hemline. The wedding gown was made by the bride's mother.

Her matching rosette coif was also designed of white velvet with an attached bouffant imported silk illusion elbow-length veil and cascading chapel train. She carried a cascade arrangement of white roses atop a white fur muff.

A reception honoring the couple was held at the Episcopal University Center. The wedding cake and punch was served by Mrs. Royce Cox and Miss Janet Ritter.

For a wedding trip to points of interest in Texas, the bride travelled in a blue nylon knit dress and coat with matching shoes and purse and black leather gloves.

The couple will make their home at 205 20th Street in Canyon.

A 1965 graduate of Canyon High School, the bride attends night classes at West Texas State University and is currently employed by the office of the graduate dean at the university.

The bridegroom is a 1965 graduate of St. Stephen's Episcopal School in Austin and is a junior at West Texas State University, where he is a member of Kappa Sigma fraternity.

Informal Vows Unite Couple

Mr. and Mrs. Ellis Neal Lemons are at home at Route 2, Grapevine, Texas, following their recent marriage at the chapel of the First Methodist Church in Arlington.

Dr. J. D. Payne officiated at the exchange of double ring marriage vows. The bride is the daughter of Mr. and Mrs. Donald Wallace Heisey, Sr. of Fort Worth. Parents of the bridegroom are Mr. and Mrs. Walter Ellis Lemons of Hereford.

Honor attendants for the couple were Mrs. Sharon Heisey, sister-in-law of the bride, as matron of honor and Claud B. Montgomery of Arlington as best man.

Given in marriage by her father, the bride wore a pastel green knit dress featuring white appliques. Her corsage was centered with double white orchids.

The bride attended various public schools throughout the United States and in foreign countries, as her father is an Air Force career officer. She is a graduate of Sandia High School and Draughons Business College in Albuquerque, New Mexico and is presently employed as a secretary with the Texas Refinery Corporation at Fort Worth.

The bridegroom graduated from Canyon High School in 1960. He attended West Texas State University, Texas Technological College, and the University of Maryland extension in Bremerhaven, Germany. He was enlisted in the US Navy in February 1962 and completed Naval Electronics School in San Francisco, California. He was stationed with the United States Naval Security Group in Bremerhaven, Germany for three years. He received his discharge from the service in June 1966 and is presently employed as an electronics technician with Tucker Electronics in Garland.

A former resident of Canyon, the bridegroom resided in Canyon from 1950-61 with his parents. He was active in Troop 66 Boy Scouts and the First Methodist Church here.

The informal wedding was concluded with a wedding supper at the Zuider Zee for members of the wedding party and out-of-town guests including the bridegroom's sister and brother-in-law, Mr. and Mrs. Gene Rogers of Amarillo. The bridegroom's parents were unable to attend due to the illness of his mother.

MRS. JOSEPH WHITTINGTON, JR.

Vows Solemnized In West Germany

Mrs. J. C. Whittington of Canyon announces the recent marriage of her son, 2nd Lt. Joseph Cannon Whittington, Jr., to Miss Virginia Catherine Broers, daughter of Mr. and Mrs. Henry D. Broers of Galveston.

The first wedding ceremony was performed December 1, 1967 by the Burgermeister (mayor's of Germany) of Pirmasens in the Rasthaus (City Hall).

A double ring ceremony was performed December 3 in the Post Chapel at Pirmasens, West Germany. The second ceremony was officiated at by Major Chaplin Billy H. Cox and Herr Herman Schnert, post interpreter, gave the bride in marriage. Honor attendants for the couple were Miss Anne Bailey of Munechweiler, West Germany and Sgt. Terrance L. Brady of the Pirmasens Military Police.

A graduate of Dominican High School in Galveston, Texas, the bride is registered as a histology technician with the American Society of Clinical Pathologists. She was previously employed in the opthalmology department at John Sealy Hospital at the University of Texas Medical Branch in Galveston before flying to West Germany in October 1967.

The bridegroom is a graduate of Canyon High School and the University of Texas in Austin with a BA degree in zoology. He is serving with the 533 Military Police at the Pirmasens Post in West Germany, where he has 15 more months to serve.

Stone-Deason Vows In April

Miss Jacqueline Lin Stone will become the bride of Glen Albert Deason in ceremonies slated for April 6 at Joseph A. Hill Chapel on the campus of West Texas State University.

Announcement of the engagement and approaching marriage was made by Mr. and Mrs. Thomas B. Stone of Canyon, parents of the bride-elect.

The bridegroom is the son of Mr. and Mrs. Elmer W. Deason of Amarillo. He graduated from Amarillo High School in 1960 and from Amarillo College in 1963 as a chemistry major. The prospective bridegroom received his bachelor of science degree from WTSU in 1967, where he majored in chemistry and had a double minor in math and physics. He is currently president of the Golden Spread Gem and Mineral Society, a member of the American Chemical Society and is employed as assistant plant control chemist for the Amarillo Helium Plant.

Miss Stone graduated from Canyon High School in 1965. She has been employed as a long distance operator for South Western Bell Telephone Company of Amarillo and as a cashier-clerk and cosmetician for The Pharmacy in Canyon.

COOK OF THE WEEK

Shares Family's Recipes

BY LORENA MILLER

Favorite family recipes for Rice Pilaf, Under The Sea Salad, and Barbecue Sauce are shared with our readers this week by Mrs. Durwood Henderson of 2325 Fourteenth Avenue.

Mrs. Henderson, the former Kaye Peeples, was raised at Wellington where her parents Mr. and Mrs. Ray Peeples farm and ranch. She has a brother, Kent Peeples, who lives in Canyon and a sister, Mrs. A. C. Gray, who resides in Gruver.

A graduate of Wellington High School, Mrs. Henderson plans to begin studies at West Texas State University for the spring semester. Her major will be elementary education.

Her husband, Durwood, received a bachelor of business administration degree and a masters degree in education from North Texas State University. He is presently working on a masters degree in business. He is director of computer services at WTSU. He is also a member of the Canyon Kiwanis Club and was charter president for the Data Processing Management Association in Amarillo.

The couple's two daughters are Tawny, 7, who is a first grade student at Rex Reeves Elementary School and Markaye, 4.

The family attends the First Baptist Church of Canyon.

Mrs. Henderson is a member of the Canyon Study Club. She said that her favorite hobbies are plaster painting and antiquing furniture and related that her husband enjoys tennis and ping pong as his favorite pasttimes.

The family's favorite recipes are:

RICE PILAF
1 cup long grain rice
1/2 cup vermicelli
1/2 cup butter
2 cups chicken broth
salt to taste

Break vermicelli in small pieces and fry in melted butter until brown, stirring constantly. Wash the rice and add to vermicelli. Saute for a few minutes. Add boiling broth and salt. Cover and cook on low hear for 20 minutes.

Remove from heat and let stand 20 minutes before serving. Serves 4.

Serve with smothered or baked chicken and quail. This dish is excellent to serve with your favorite skish-kebob.

UNDER THE SEA SALAD
1 small pkg. lime jello
1 cup pineapple juice
1/2 pkg. small marshmallows
1/2 pint whipping cream
1/4 lb. cream cheese (3 oz)
1 cup chopped pecans

Let cream cheese soften and then mash with fork. Add a little pineapple juice until all has been added. Do not add all at once as the cream cheese will lump. Fold in whipped cream. Add marshmallows and nuts. Put in oblong pyrex dish. Set until chilled.

Mix jello according to package directions. Allow to cool. Pour over the base mixture and allow to congeal.

BARBECUE SAUCE
1/2 stick butter
1/2 bottle A-1 sauce
1/2 bottle worcestershire sauce
1/2 bottle catsup
1 Tbsp. vinegar
3-4 drops liquid smoke
dash of garlic salt
dash of salt and pepper

Heat together to boiling point. Pour over cooked meat such as spareribs and serve. Good to use in outdoor barbecuing. Apply after meat has been seared on both sides.

HOMEMAKER OF THE WEEK Mrs. Durwood Henderson and daughters, Tawny, left, and Markaye, seated, select recipes for Barbecue Sauce, Under the Sea Salad, and Rice Pilaf to share with our readers this week.

Gardeners Have Meet

Canyon Garden Club was entertained last Thursday evening at the K. E. Hines home with a program by Mrs. Hines which was devoted to the artistic uses of a large variety of dried items such as nut shells, feathers and rocks in decorative arrangements.

A brief business session was conducted by Mrs. E. T. Cummings, president.

Next meeting will be February 8 with Mrs. C. W. Samples as hostess.

Present were Mr. and Mrs. Harley Burrus, Mr. and Mrs. M. S. Downing, Mr. and Mrs. A. K. Goodman, Mr. and Mrs. Joe Frank, Mr. and Mrs. Dan Milhoan, Mrs. E. T. Cummings, Mrs. Jeannette Robbins and the Hines.

Happy Club Has Meeting

Woman's Study Club of Happy met last Tuesday in the O. K. McDonald home with Mrs. Bobby Odom as co-hostess.

Mrs. Copus Boyd presided during the business session which was opened with a pledge to the Christian flag led by Mrs. R. W. Johnston. "Advancements in Medicine" was the roll call topic answered by nineteen members.

Club members voted to donate to the Opportunity Plan at West Texas State University to help local students.

Mrs. Hobart McManigal, program chairman, presented the theme "News From The World of Medicine" and gave "Space Science and Medicine. Mrs. E. E. Sims gave the "Danger of Drugs" and Mrs. L. E. Talbert concluded the program with "The Drug Controversy".

A refreshment plate was served to those present.

News Brief

HOUSEGUESTS of Mr. and Mrs. G. H. Leseberg during the week end were Mr. and Mrs. John Reineke and Ricky of Ida Grove, Iowa; Mr. and Mrs. Jim Reineke and Jeff of Satanta, Kansas; and Mr. and Mrs. C. W. Bauer of Gravette, Arkansas.

Chevy II Nova Coupe

One more nice thing: the price.

$2,284 Manufacturer's suggested retail price for standard Six Chevy II Nova Coupe shown above includes Federal Excise Tax, suggested dealer delivery and handling charges. Model shown above equipped at additional cost with Custom Exterior $84.30, White Walls $31.35, Wheel Covers $21.10. Transportation charges, accessories, optional equipment, state and local taxes additional.

Car enthusiast magazines keep saying a lot of nice things about the all-new Chevy II Nova. And why not? At last there's an economy car that doesn't look *or* act like one. Besides being a whole lot sportier, it offers a smoothly balanced Six and a 307-cubic-inch standard V8 that runs beautifully on regular fuel. See for yourself what all the shouting's about. Road test a Nova *now*.

"TEXAS" TRYOUTS were conducted Saturday on the West Texas State University campus. Two Amarillo girls, Susie Pankratz, left, and Georgia Clinton, were among those signing for the musical drama auditions. Tryouts for college-aged students will be held this Saturday from 9 a.m. until noon and from 1 to 4 p.m. in the WTSU Branding Iron Theatre.

Novels Topic For Luncheon

"What is a Non-Novel Novel?" was the subject of a program given by Mrs. Marvin E. Philpott at a luncheon meeting for the Canyon chapter of the American Association of University Women Saturday.

Mrs. Philpott said that "novels of this age are geared to express life as we live it" and concluded that novels of the current age "often have no system or pattern".

Mrs. Ples Harper opened the luncheon meeting with the invocation. Mrs. Cristler Crain, president, was in charge of a brief business session. Mrs. Weedon Echols gave the treasurer's report and outlined several changes being made in the budget.

Mrs. Mary Sligar was named chairman for the chapter's nominating committee. Other members appointed to the committee were Mrs. Bill Lee and Mrs. Wm. Auvenshine.

Chapter members will attend a workshop in Andrews February 10. The crafts group of the chapter will meet Monday night with Mrs. W. M. Stoker.

Approximately 25 attended the luncheon and program Saturday.

Art Display Set Sunday

Chalices and goblets in gold set with precious stones will be on display at the seventh annual meeting of the Texas Panhandle Heritage Foundation Sunday.

The works of art, prepared by Bart Mann, will be on display

BART MANN

in the Fine Arts Building on the West Texas State University campus at 3 p.m.

The display includes 25 cups, shalls, bridles, goblets and other pieces sculpted by Mann since 1950.

The collection has been exhibited at gem and art shows throughout the United States. At the present time Mann is working on a commission from the White House to design and fabricate a number of gold objects to be used for State Department gifts to visiting foreign heads of government.

Mann indicated a desire to meet with anyone interested in working with precious metals, especially young people.

Hog Exhibit Is Planned

Twelve Canyon High School students will be exhibiting hogs at the Fort Worth Stock Show Feb. 1, according to Marcus Phillips, CHS agriculture instructor.

Those showing the animals will include Ric Hales, Johnny Bewley, Pat Blanton, Mike Trammell, Arnie Liekhus, Dick Cummins, Doug and Mike Breitling, Mike and Larry Tilger, Larry Robinson and Kyle Sunderman.

The hogs will include four chester whites, two berkshires, two spotted polland china, five hampshires, and two durocs crossbreeds.

The animals, Phillips said, were all exhibited by the FFA boys at the recent Randall County Junior Livestock Association Show and Sale.

Mrs. Culp Elected By Club

Mrs. Frank Culp was elected president for the Jowell Friendship Club at a meeting last Wednesday in the home of Mrs. Ervin Davis.

Other officers elected were Mrs. T. J. Bonds, vice president; Mrs. Earl Davis, secretary-treasurer; and Mrs. Ervin Davis, reporter.

Plans were made for a 42 social to be held January 26 at 7 p.m. in the Jowell Community Center with refreshments of pie and sandwiches to be served.

Plans were also discussed for a community Farm Bureau supper and election of officers which will be held February 16. The supper will begin at 6:30 p.m.

Refreshments of cake and ice cream were served to Mesdames Frank Culp, T. J. Bonds, Earl Davis, Jimmy Dietz, Debbie Dietz and the hostess. Next regular club meeting will be February 21 at 2:30 p.m. in the Earl Davis home.

Son's Birth Announced

Mr. and Mrs. Jerry C. Johnigan, Jr. announce the January 19 birth of a son, Loran Bell, who weighed 8 pounds at birth.

The infant was born at Neblett Memorial Hospital in Canyon. The Johnigans other children include Shelly Jean, 8, and Eric Neal, 4.

Grandparents are Mr. and Mrs. L. E. Gum and J. C. Johnigan, Sr. all of Canyon.

Fowler Returns To Viet Duties

Air Controlman Third Class Henry T. Fowler, USN, son of Mr. H. R. Fowler of Rte. 2, Canyon, Tex., has returned to "Yankee Station" off the coast of North Vietnam following a one-week rest and relaxation period in Subic Bay, Republic of the Philippines.

He is a crewmember aboard the 75,000-ton attack aircraft carrier USS Ranger on its third cruise with the U. S. Seventh Fleet and seventh deployment to Southeast Asia.

The Ranger arrived in Subic Bay in time for the New Years holiday. Many crewmen took the opportunity to visit Manilia and other areas of the island during the in-port stay.

The carrier launches its aircraft primarily at supply routes and transportation points in North Vietnam to help impede the flow of supplies to the south.

DON'T LET ENTAMOEBA HISTOLYTICA ADOPT YOU

These parasite amebas are a primitive form of animal life which reproduce by just dividing in half. One can soon become millions. They are the cause of Amebiasis, generally known as Amebic dysentery. They are swallowed with food and drink, and burrow into the large intestines.

Beginning symptoms are not too troublesome. But, after they accumulate, they travel to the liver, heart, lungs and brain and a small percentage of cases are fatal. Symptoms are easily confused with those of appendicitis, colitis, peptic ulcer, intestinal cancer and others. Your physician can cure Amebic dysentery in about 95% of cases and control the rest if treatment is not too delayed.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Rev. H. D. Freeman New Calvary Pastor

The Rev. H. D. Freeman has accepted the pastorate of Canyon's Calvary Baptist Church. He is expected to arrive here by Jan. 30.

REV. H. D. FREEMAN

Rev. Freeman is now living in Whitesboro where he has been pastor of the First Baptist Church for the past eight years.

He holds a BA degree from Oklahoma Baptist University in Shawnee, Okla. and a BD from Southwestern Baptist Theological Seminary in Fort Worth.

Prior to moving to Whitesboro he pastored the Floresville First Baptist Church four years and the First Baptist Church of Bailey more than three years.

He is a native of Durant, Okla. and served churches in that area during his college days before moving to Texas.

For the past year Rev. Freeman has been serving as chairman of the 50-member board of trustees for Lake Lavon Baptist Encampment near McKinney. He served as moderator of the Grayson Baptist Association last year and while at Floresville was president of the District Six Convention of the Baptist General Convention of Texas and moderator of the Gambrell Baptist Association.

Rev. Freeman is married to the former Delbert Allene Bateman of Durant, Okla. and they have four children.

Ken is in the US Navy; Dayna is a junior student in high school; Mark is in the sixth grade; and Martha is three years of age.

Rev. Freeman replaces Jack Boyett who is now pastor of the East Fourth Street Baptist Church in Big Springs.

Water Tests At Umbarger

The fourth degree branch of the Umbarger Knights of Columbus is working in cooperation with the Bi-City County Health Department to conduct sampling of private water supplies in the Umbarger community.

Farm and other private water supplies are being sampled and tested for pollution and contamination by members of the group. Testing of the water samples is being done by the health group.

Ed Wieck, chairman of the sampling committee, urges all Umbarger community residents desiring the free service to contact him at GY9-2951.

Hutton Attends Austin Meeting

Randall County Clerk LeRoy Hutton recently attended a one-day seminar in Austin on changes in Texas election laws.

The seminar, sponsored by Secretary of State John A. Hill, was for county judges, clerks and county chairmen of both political parties.

Prayer Week Service Set

The final service in a Week of Prayer for Christian Unity by six Canyon churches will be held tonight, Thursday, at the First Presbyterian Church of Canyon.

The service begins at 7:30 p.m. with Rev. Baldwin Stribling presiding.

The week of services have been co-sponsored by the First Methodist Church, First Christian Church, Canyon Church of the Nazarene, St. Andrew's Episcopal Student Center, St. Ann's Catholic Church and the First Presbyterian Church.

Recital Set Monday

James Dick, noted pianist who competed in the 1966 Tschaikowsky Competition in Moscow, will be in concert on the West Texas State University campus Monday.

The concert, sponsored by the WTSU Music Department, will begin at 8:15 p.m. in the Branding Iron Theatre.

Although no admission will be charged for the recital, ticket reservations must be made by mail or in person at the WTSU Music Department offices in the Fine Arts Building.

Dowlen On JP Program

George Dowlen, Randall County Criminal District Attorney, will introduce one of the speakers at the seminar for justices of the peace Friday.

The one-day seminar, sponsored by the State Junior Bar Association, will be conducted in Amarillo's Coronado Inn.

Dowlen will introduce Judge Charles Reynolds, district judge from Childress. Other speakers will include Carroll Vance, Harris County district attorney, and a pathologist from Harris County.

Attending the seminar will be Randall County Peace Justices W. A. (Bill) Wilson and W. W. Hancock.

E. E. (Gene) Jordan, 47th District Court judge, will preside at an afternoon panel discussion at the meeting.

The seminar chairman is Bob Sanders, Amarillo lawyer.
